Blues NEWS

United are hoping for a lotta bottle in the newly named Milk Cup! In recent seasons they have had little luck in the Football League Cup as it was known. 1969/70 was United's glory year in the FL knockout reaching the semi-finals and holding a 1-0 lead after the first leg at Brunton Park against WBA. The twin towers of Wembley were beckoning. In the second leg at the Hawthorns, United still held that slender lead at half-time only to crash out 4-1.

The last two seasons United have come unstuck at the second round hurdle. 12 months ago after disposing of Bury 5-4 on aggregate Carlisle went down 2-1 overall to Bristol City with a dubious penalty settling the issue. In 1980/81, it was Charlton that gave Carlisle the Cup chop — after United had ousted Rochdale 3-1 in round one — 4-2 on aggregate.

The Football League Cup was first introduced in 1961 and has developed over the past 22 seasons into a major competition.

It was not until 1969/70 — the season United hit the heights — that all 92 clubs entered. Although Wembley is now the recognised setting for the League Cup Final it was not played there until 1966/67.

The first final at Wembley was a 100,000 sell-out. Past winners have included: Leicester City, Chelsea, Leeds, Nottingham Forest and Manchester City. Liverpool are the current holders and lifted the Milk Cup for the first time after the FL. sponsorship tie up with the National Dairy Council last Spring.

The first round 2nd leg against Bolton Wanderers will be at Burnden Park, Bolton on Tuesday September 14th, kick-off 7.30 p.m.

We have never played Bolton in the Milk Cup (old League Cup) prior to this evenings meeting, although we did play them in the F.A. Cup Third Round in 1931 when we lost 1-0 at Bolton. Our full League and Cup record to date against Bolton is:-

	P	W	D	L	F	A
HOME	30	18	6	6	52	29
AWAY	26	5	6	15	26	51
TOTAL	56	23	12	21	78	80

In brief Alan Shoulder scored in every pre-season friendly he played United had 5 wins and one defeat in 'warm up' games Bobby Parker the only survivor from United's first division days is on the mend after a thigh injury Bob Stokoe full of praise for Tommy Craig in his new coach role Jack Ashurst and Trevor Swinburne were only ever-presents last season Keith Houghton and Alan Shoulder are re-united: they were together in the magic F.A. Cup run by non-leaguers Blyth Spartans who reached the 5th round 4 years ago Paul Bannon who went on the transfer list at his own request has signed a new 2 year contract ex-United starlet Peter Beardsley who went to Vancouver Whitecaps for £275,000 linked with Manchester United in a £300,000 deal at the end of the North American season in September it is not only Carlisle RL. that have a Kiwi connection. United reserve keeper Jon Rush was born in Wellington, New Zealand Andrew Jenkins has taken over as vice chairman from Jim Monkhouse who asked to stand down but remains on the board Colin Hutchinson is the new managing director of Carlisle United and Carlisle RL. A fortnight ago 41 year-old Colin was co-opted to the United Board to add to the Carlisle RL. directorship he already held. Hutchinson joined United in April 1980 and in December the same year became United's first ever general manager health forced Dick Young to retire, he will be missed after 25 years association with the club but still intends to come and watch: he is a Life Member of Carlisle United .

Welcome back to Brunton Park to all our supporters for what we hope will be a happy and eventful season for all connected with Carlisle United.

The summer break has seen quite a few changes in the playing staff at Brunton Park.

Several players have left the club and we have signed five new players, Bob Mitchell, Alan Shoulder, Brian Hornsby, Jonathan Rush and Malcolm Poskett.

The general trend in football of late has been for clubs to trim their playing staff in an attempt to reduce the running costs of the club. This has enabled us to pick up some good players on a free transfer. The only one of our summer signings to cost a fee was Malcolm Poskett who cost £20,000 from Watford.

This season we will be operating with a squad of 17 players, we are hoping for a bit of luck in avoiding major injuries that can sideline key players for any length of time.

I am delighted for Tommy Craig on his appointment as coach. Already he has impressed the players and myself with the way he is handling his new position.

The retirement of Dick Young means the departure from the club of a man who is a great personal friend of mine. My friendship with Dick stretches back many years to my playing days with Newcastle United in the late forties, through to the present day and our working together with United.

I am sure the many players who have passed through the club over the years would like to echo my grateful thanks to Dick for the help he gave them in improving their game. The likes of Hughie McIlmoyle, John Gorman, Stan Bowles, Chris Balderstone, and Bob Hatton, to name but a few, all went on to gain recognition in the game and Dick played a major part in each players success.

Dick has given the club tremendous service over the past 25 years and he will be sadly missed, but I am sure his face will still be seen around the ground from time to time.

This season sees a return to Second Division football for the club. Visits to grounds like Stamford Bridge, St. James' Park, Elland Road and Hillsborough will bring back happy memories for me from my own playing days. I know the players will find as I did, that the atmosphere generated on match days at these grounds, will be far more to their liking than playing in front of 3-4,000 people in the third and fourth divisions.

This evening against Bolton we have the opportunity to kick-off the season on a high note. A good result tonight will set us off on the right footing for the long season ahead of us.

BOLTON WANDERERS

A BRIEF HISTORY

One of the founder members of the Football League, the Wanderers were originally known as Christ Church when they were formed in 1874. In 1877 their present name was adopted and was a name which was to become one of the best known in English Football.

The Wanderers moved to their current home at Burnden Park in 1895 after spells at Park Recreation Ground, Cockles Field and Pikes Lane.

They won the first F.A. Cup Final to be played at Wembley Stadium in 1923 when an estimated 200,000 packed the Empire Stadium to overflowing. They dominated the Competition in the Twenties, going on to lift the Cup in 1926 and 1929 but they then had to wait until 1958 for their next major honour when the legendary Nat Lofthouse led them to F.A. Cup glory when they beat the Munich-ravaged Manchester United side. They won the Second Division Championship in 1908-09 and 1977-78 and the Third Division title in 1972-73.

After being relegated to the Second Division several times in their early days, they enjoyed an unbroken First Division spell from 1911-1933.

From 1935 to 1964 the Wanderers remained in the First Division and in 1970-71 they dropped into the Third Division for the first time in their history. Two years later they were promoted as champions.

They won promotion to the First Division at the end of the 1977-78 season, champions, after twice finishing in third place in the Second Division. Were relegated to the 2nd Division in 1980.

Under newly appointed Player/Manager John McGovern, one of the most respected figures in the game, Wanderers are looking to re-establish themselves after two disappointing seasons under the threat of relegation.

Spotlight **BOLTON WANDERERS**

Bolton Wanderers have been ringing the changes following their dramatic escape from relegation last season. John McGovern has since become the club's first-ever player-manager and his new signings include striker Vernon Allatt, midfielder or forward Ian Moores and defender Ray Deakin.

John McGovern hopes the experience he gained as a player, under the managership of Brian Clough at four clubs, will serve him in good stead for the challenge that lies ahead of him. He began his career under Mr. Clough in the Fourth Division with Hartlepool in 1966, then followed his old boss to Derby in 1969.

Whilst with the Rams he gained two Scotland under-23 caps and a League Championship medal. He moved on to Leeds in 1974 but remained only a matter of weeks before signing for Nottingham Forest. With Forest he won two European Cup winners' medals, a League Championship and appeared in three Wembley League Cup finals.

Allatt moved from Hedsnesford Town to Halifax, making his bow in League soccer in 1979/80. After three seasons, he was freed by Halifax and Bolton signed him this summer.

Moores won two England under-23 caps in his Stoke City days and Tottenham invested £80,000 in his transfer in 1976. He did not have the best of luck at White Hart Lane, though, so he was happy to move to Orient in another £80,000 deal in 1978. He was Orient's top scorer in his first season but later switched to a midfield role. Bolton signed him this summer.

Deakin served his apprenticeship with Everton and he remained at Goodison Park until 1981, though he didn't get a game in their First Division side. He spent last season with Port Vale and moved to Bolton a few weeks ago.

It is anticipated that Moores will play in attack for Bolton who have Geoff Chandler, Chris Thompson and Wayne Foster pressing for places, along with the other newcomer Allatt.

Chandler is a skilful winger who began his League career with Blackpool in 1977/78. He was transferred to Leeds in 1979 and Bolton secured his signature for £40,000 last season.

Thompson, who led Bolton's scoring list with 14 goals last season, was introduced to the side three seasons back and won a regular place last term.

Foster made his debut as substitute at home to Cambridge last October. He was later introduced to the attack and held his place.

Tony Henry, Mike Doyle and Peter Reid are among the contenders for places in midfield. Bolton paid £125,000 to sign Henry from Manchester City last season but the investment paid quick dividends when he scored 13 goals. He was first introduced to the City team in 1976/77 and he made more than 70 First Division appearances.

Bolton had a remarkable escape from relegation last season. When they had completed their fixtures, most of their rivals still had two games to play. Crystal Palace, Shrewsbury, Derby and Grimsby all moved ahead of them and Bolton were left to await the results of Cardiff's final game before they knew their fate.

Cardiff needed three points from their final game at home to Luton — who were already assured of the Second Division Championship — to save themselves and put Bolton into the Third Division.

Cardiff lost 2-3 and Bolton were saved. But new manager John McGovern is determined not to cut things quite so fine this season.
